

Now Central Ohio residents can get help, and give help, at the touch of a button.

Please join FIRSTLINK, along with our honored guests from Columbus, Franklin County and the United Way, as we launch our newly expanded 2-1-1 service. 2-1-1 provides one-stop dialing for residents to reach thousands of community and government resources. FIRSTLINK staff will update you on recent changes to the service and introduce you to a year-long promotional campaign spearheaded by Clear Channel Communications.

Time: 2 p.m.

Date: Tuesday, March 14

Place: FIRSTLINK, 195 North Grant Avenue, Columbus, OH 43215

RSVP: Kim Kallmeyer

We look forward to your participation at this important event, and to your continued support of 2-1-1.
